♿ **MERCURY**, the Thinker

represents the way you use your mind. The House placement of Mercury shows the area in life in which you may be particularly clever and aware, and can offer your keen observations. The Sign Mercury in characterizes your mental processes and way of communicating with others. Mercury is often in the same sign as the Sun, acting as a support for your basic personality.

Other planets in aspect to Mercury help to define your style of communicating, how you use your intellect, and your mental strengths. Mercury in aspect to other planets adds awareness & mental activity.

♊ **Gemini**, the 3rd Sign of the Zodiac is Ruled by **MERCURY**

*The **Twins** rules the arms, hands, fingers, lungs, ribs, bronchial tubes, nervous system, speech, dorsal spine*

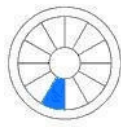

Gemini is a MUTABLE AIR Sign – *Intellectual Servant*

AIR Signs are Communicative, Ingenious, Social &
Changeable

MUTABLE Signs are Servants (flexible)

Gemini is most Compatible with other Air Signs – Libra & Aquarius, & also with Fire Signs – Leo, Aries & Sagittarius (opposite)

Shadow Sign - Sagittarius

The **Third House** is ruled by **Gemini and Mercury**

The Third House represents your way of relating with the immediate community, peers, classmates and siblings. This house rules short journeys, local happenings, schooling, news and the way you conform (or not) to society in general.

Self Assertion, Familiarity

Shadow House - Ninth

I AM, I SAID

☉ The SUN

Rules Leo ~ King of the World (or Queen)

I Am The Absolute Best *when it comes to ~*

I am so cool, and you know it *when it comes to ~*

I show everyone how great I am *with ~*

I Love you Best *with ~*

Strongest in Aries – the Boss
